

Dear hikers, welcome!

You have before you a beautiful village, witness to the heritage of the Hauts Cantons de l'Herault. It consists of various private properties that have recently been renovated. It is in good condition thanks to the continuous support of its residents since 1967.

We ask that you respect the site and the well-being of its residents by ensuring:

- don't make noise,
- don't leave trash
- keep a close eye on your children
- to respect the fruits of the earth
- the hamlet of Bardou is not a picnic area
- Dogs are not allowed in the village

Thanks very much!
